Something for Everyone

MEDSPA PROCEDURES

BBL Photofacial – \$400 or Pkg of 3 \$960

BroadBand Light is clinically proven to stimulate changes in skin tone, texture, elasticity, and pigmentation – with visible, long lasting improvements. Treatments are non-invasive and gentle with virtually no downtime.

Halo Laser – \$1300 or Pkg of 2 \$2200

Halo is a Hybrid fractional laser that combines ablative and non-ablative wavelengths to improve every aspect of your skin. The combined wavelengths work synergistically to repair visible signs of aging, fine lines and wrinkles, sun damage, discoloration, enlarged pores, texture and uneven skin tone – including Melasma.

Moxi Laser – \$700 or Pkg of 4 \$2200

Moxi is the newest fractional laser that offers a gentle approach to radiant skin. This treatment is safe for all skintypes and helps improve uneven pigment, skintone, texture, light sun damage and anti-aging with no downtime.

NanoLaserPeel – \$350

Often referred to as the “microderm” of laser peels. This is the most superficial of the laser peels with little to no downtime. *Different Depth Levels Available*

Profractional Laser – \$700

A ProFractional™ treatment uses laser energy to create thousands of microscopic channels in the skin to stimulate collagen and tissue remodeling. This is the ideal treatment for collagen remodeling, improving scars, reducing wrinkles, and tightening crepiness on the chest.

ClearSilk – \$300 or Pkg of 6 \$1500

A comfortable facial-like procedure that will help you maintain your youthful appearance, tighten your skin and give you a beautiful photo filtered look for your next special event.

SkinTyte II – Pkg of 6 \$1500

A no-downtime, non-invasive treatment to tighten skin on the face, neck and body.

Clear Acne Laser – Pkg of 6 \$750

A safe and effective laser treatment that utilizes multiple wavelengths to destroy acne-causing bacteria, reduce redness and inflammation and make skin clearer. A good at home skincare regiment will be recommended for best results.

Clear Nail – Pkg of 3 \$650

A safe, direct and painless laser treatment for the improvement of Onychomycosis (Nail Fungus) without the use of medication.

Laser Hair Removal

An FDA-approved process of permanently reducing or eliminating unwanted hair on the face and body.

1 Treatment – 6 X – Unlimited Year

Ultherapy – Lower Face \$2500

Ultherapy is the only FDA-cleared, non-surgical procedure that deeply lifts the neck, chin and brows, and improves lines and wrinkles on the upper chest.

Emsculpt Neo – Pkg of 5 \$2500

The world's first and only non-invasive body contouring procedure that simultaneously burns fat and builds muscle in a combined 30 min session.

Cellutone – \$75 or Pkg of 8 \$500

Cellutone is a high-frequency body contouring device that delivers painless vibrating shockwaves into targeted areas to reduce the appearance of cellulite and stretchmarks.

SkinPen Microneedling – \$375 or Pkg of 3 \$900

SkinPen utilizes a series of micro needles to stimulate the production of collagen and new skin cells with little to no downtime.

Add Topical Sculptra or Exosomes – \$200

HydraFacial – \$175 Signature or \$285 Platinum

HydraFacial is a nourishing treatment that simultaneously combines exfoliation, extractions, hydration and antioxidant protection in one soothing and effective treatment.

Customized Facials – \$150

A 60-minute indulgence that includes cleansing, exfoliation, facial masques, steam, massage of the face, neck and décolletage; soothing hot towels, customized serums and SPF.

Chemical Peels

Chemical Peels treat various skin conditions and are an excellent way to address sun damage, dull skin, enlarged pores, and melasma.

VI Peel or ZO 3 Step Peel – \$350

ZO Stimulator Peel – \$125

Botox – \$14 Dysport – \$5 Daxxify – \$8

Botox and Dysport are neurotoxin injectable treatments that are proven to be the most effective way to temporarily improve the appearance of both fine lines and wrinkles.

Facial Fillers – Starting at \$700 Syringe

Dermal fillers are gel-like injectables that when placed beneath the skin can restore lost volume, smooth lines, soften creases, and enhance facial contours.

Sculptra – \$900 Vial

Sculptra is an injectable dermal bio-stimulator, that stimulates the body's own collagen to volumize the face and restore a youthful appearance.

Sclerotherapy – \$400 Vial or Pkg of 3 \$1020

Sclerotherapy is a minimally invasive procedure to eliminate spider veins through a series of tiny injections. Price quoted upon consultation.

Lipo Dissolve – \$450 per Area

A noninvasive, nonsurgical procedure designed to dissolve fat cells through a series of injections.
